This month at Fresh Brewed Business

Did you know One Energy's **wind turbines** are 405 feet tall? That's similar to a 26-story building with a football field spinning on top! At October's Fresh Brewed Business we had the chance to hear from One Energy about their wind campus and the benefits that wind energy can provide for corporations.

[To learn more about One Energy, visit their website!](#)

Don't miss out on our next Fresh Brewed Business – [register online!](#)
