Online Ordering Made Simple

Simpay eats online food ordering system connects your restaurant with your community. Accept online reservations, pick-ups, and delivery orders in one, simple to use software system.

Simpay eats allows your customers to order directly from your custom branded website, increasing your local online presence and increasing your sales.

The process is simple. Customers order food, a driver picks up and delivers the order, and best of all, you don't have to give away your profits on every order to a third-party service.

Simpay eats features a monthly flat fee, instead of per order commissions and fees, plus you get paid faster!

- Promote your own brand
- Create your own custom website
- Easy to use custom mobile friendly menu
- Real-time reporting & analytics
