Podcast Episode: A Football Coach's Perspective on Working with Gen-Z

On this episode of Chamber Amplified, Doug is joined by Findlay High School football Coach Stefen Adams. If you've ever thought younger employees don't want to put the work in, Coach Adams says that's certainly not the case, but they may work in different ways. We also talk about different ways to engage with younger employees to get the most out of them, while also helping them to grow as a person at the same time.
