Tips for Screening Potential Employees

Kristy Dutton from Corporate Intelligence Consultants joins us on this episode of Chamber Amplified to talk about some of the red flags you should look for in prospects. Kristy also tells us about why you need to be careful when screening candidates because you can run into some legal issues if you don't have good policies in place.

Junior Fair Auction Buyer's Group

In 2019, the Chamber's Agri-Business Committee began a program to support the Junior Fair Livestock auction to help connect area businesses with the agriculture community. By pooling together resources from several businesses and organizations we can bid on animals raised by the hard working junior fair members in Hancock County.

Empowerment, Independence, and Stability through STABLE Account

August is ABLE to Save Month, and there is no better time to raise awareness about the life-

ABLE TO
SAVE MONTH

changing impact ABLE accounts can make for people living with disabilities. With costs rising on nearly everything we buy and ongoing economic challenges nationwide, Ohio families are feeling the squeeze. And, as many know all too well, disability-related expenses can pose additional financial strains.
